

The Boolean Maths Hub Conference

Guest speakers:

Ben Smith

Having completed an amazing 401 marathons in just 401 days, Ben, from Portishead, is planning his #USA2020Challenge. As part of the Journey to Wellbeing Education Programme, he will run a marathon in each of the 50 US state capitals, aiming to complete the 14,001 mile adventure in just 104 days.

Dr Sue Gifford

Early Years researcher, a member of the joint primary committee of the Association of Teachers of Mathematics & the Mathematics Association.

Ben Sparks

Sue is the Principal Lecturer in Mathematics Education, University of Roehampton.

Mathematician, musician and a member of the Maths Inspiration, MathsFest and AMSP teams. Ben works in the Department of Mathematical Sciences, University of Bath.
