

Bristol & Beyond Stronger Practice Hub

Free Launch Conference:

Meeting the needs of the unique child in the EYFS, with a spotlight on neurodiversity

Saturday 8th July

Book here: www.beyth.co.uk/sph/

With National Speakers....

- **Kerry Murphy - Author and Lecturer in EYs**
- **Abi Miranda from the Anna Freud charity.**
- **Andrew Ryder from The Owl Centre.**

Speakers will cover:

- Post covid, what we are seeing in our children, increasing number of children with SEND, increasingly difficult challenge of being fully inclusive; Disadvantage and intersectionality
- Introduction to neurodiversity, shifting to a strengths-based approach, under the umbrella of our responsibility to meet the needs of every unique child; How in doing this it will help them to belong, to achieve.

Participants will leave with:

- Understanding of the challenge and need to act now
- With hope, a few tools and new ways of thinking that may inspire, change practice
- A feeling of celebration for the EYs sector -we are in a place where we can innovate, respond and lead the way for young children.....
